LAVA ADVANCE

The greatest innovation in hotel technology is here!

NETFLIX

From Sweden comes the most complete TV in the market.

People of LAVA is always one step ahead of the competition

- **Integrated Chromecast with Netflix support**

The ideal complement that allows your guests to stream content from their own devices directly to the big screen. Total privacy guaranteed.

- **Integrated Wi-Fi access point**

Create a wireless network with our integrated hotspot.

- **Integrated hotel information system, INVIT**

The marketing tool you need to transform your TV into a powerful platform for communication, promotion, sales and entertainment.

- **5 years swap warranty**

We bet on our products quality. Therefore we offer a 5 year swap warranty on LAVA Advance. Our seal for your peace of mind.

- **IPTV and multi Digital Tuners**

With DVB-T2/S2/C tuners and IPTV platform, LAVA Advance supports all the common broadcasting standards no matter if you have a Coaxial or IP network.

- **Ultra High Definition with HDR10 wide Gamut**

The new metadata technology with enhanced brightness and color gives you a picture more vivid and realistic than ever seen before.

- **Available sizes: 43", 49" and 55"**

Currently we offer 3 sizes of LAVA Advance in a beautiful, stylish finish.
